House Teams

Policies & Procedures

TEAM ROSTER: The only players allowed to play are those players on that team's roster. No outside players can play unless they are given permission by the House Team Correspondent. The House Team Correspondent will then tell the coach if they are to expect substitute players for a game. If an illegal player plays a game for a house team, that player will be asked to leave the game and the game may be marked as a forfeit.

UNIFORM: All players must wear their team jersey with a number on the back to all games or they will not be allowed to play. These are provided for all house team players as part of their registration fee. If a player loses their jersey or forgets to bring it to a game, an additional one can be purchased for \$15.

- You must wear shin guards to be allowed to play.
- You are allowed to wear tennis shoes or cleats.

REGISTRATION FEE: Your spot is NOT secure until payment is paid, so players need to pay upon enrolling in order to make sure they have a spot. Otherwise if the team fills with paid players any unpaid players will be removed. If you have not paid by the first game, you will be dropped from the team and your place will go to the next player on the waiting list.

- There are NO refunds.
- There are NO discounts for missed games.
- The player cannot make up a missed game by playing on another house team.

PRACTICES: Practices are held for ages U10 to U19. If you plan to attend a practice, you must reply to the House Team Correspondent that you will be there and you must bring \$3 cash to pay the coach holding the practice. Practices will be held on Fridays, usually from 4-5 or 5-6 pm, unless there is a previously scheduled field rental. They are non-mandatory and are simply provided for your benefit - to get extra practice time in - and the coach will not give you less playing time if you are not at practice. Practices are not guaranteed but will most likely happen every week.

COACHES: The coach will be one of our paid employees. It will never be a parent or volunteer unless we have an emergency and need somebody to coach. Coaches are decided based upon who is available to work what days. We also base it off of what team the coach wants as well as who we think will be best suited for each team.

GAME CANCELLATIONS: SoccerCity rarely closes, but if we do, we will first post it on our Facebook page and then we will send out an email. SoccerCity will then reschedule it for another day/time and you will still get your 8 games in for the season. The House Team Correspondent will email players when the game has been rescheduled.

- If a game is cancelled due to not having enough players to play, the House Team Correspondent will notify players by email, then reschedule the game and email the new day/time.
- If the same game is cancelled twice in a row because house team players did not have enough for their team, then that game WILL NOT be rescheduled a second time. The game will go down as a forfeit.
- In SoccerCity's busier seasons (Winter 1 and Winter 2) if we opt to reschedule when another team asks us, finding another good time for everybody will be very difficult.
